3. QUOTATION AND AGREEMENT

3.1 - An Quotation is valid for one month, unless TNO explicitly stipulates a different term in the Quotation. On acceptance of the Quotation, an Agreement is deemed to be concluded. If the Client requests to perform (any part of) the Commission, the Client thereby accepts the Quotation.

3.2 - The intended field of use of the Commission is specified in the Agreement. Once the Agreement (including all annexes) is concluded, this contains all agreements between TNO and the Client with respect to the Commission. Modifications, additions to or deviations from the Agreement are only binding if mutually agreed in writing.

3.3 - The Client shall use the Quotation (including any modifications, additions thereto or deviations therefrom) exclusively to determine if the Client will assign the Commission to TNO. If no Agreement is concluded, TNO solely retains all rights with respect to the content of the Quotation, with the exception of any processed information originating from the Client.

TNO may suspend its obligations and suspend the rights of the Client until the required permit, under Export Laws and Regulations, has been granted. TNO may terminate the Agreement if such permit is not granted or is not expected to be granted within a reasonable term, without having any obligations towards the Client. TNO may furthermore terminate the Agreement prematurely and with immediate effect, without an obligation for TNO to pay any compensation to the Client, If continuation of the Commission is not permitted on the basis of Export Laws and Regulations.

4.5 - Upon TNO's request, the Client shall without delay deliver a statement to TNO regarding the end use and the end-user of the outcome of the Commission.

4.6 - In the performance of (parts of) the Commission, TNO is entitled to engage auxiliary persons.

4.9 - If the Client has not collected the goods (or the remainder thereof) that were made available to TNO within two weeks after the Final Report has been delivered, TNO will be free to take appropriate measures. - a. information already in the possession of the Parties, before Parties took notice of this information in the course of the performance of the Commission;
- b. information in the public domain, or information which is made public, without a breach of confidentiality by the Parties;
- c. information that the Parties validly obtained from a third party or through own research without having used confidential information of the Parties.

7. FOREGROUND

7.1 - If the Client has created (parts of) Foreground in the context of the Commission, the relevant IP Rights will vest in the Client. The written documentation relating to the Commission, is determinative for the scope of the IP Rights of the Client (or the exclusive right to vest these). Foreground that is created by or on behalf of TNO (regardless whether this is an intended or non-intended outcome of the Commission or methods and techniques used and/or developed by TNO pertaining to any outcome of the Commission), will vest in TNO.

7.2 - Copyrights on a preliminary, intermediate and Final Report, shall always fully vest in TNO.

8. PROTECTION OF FOREGROUND

TNO and the Client shall provide each other with all reasonably required cooperation to vest one or more IP Rights. TNO will not carry out any investigation, with respect to the possibilities of protecting Foreground by means of IP Rights.

8.2 - If the Client has the right to protect (part of) Foreground and refrains from doing so, the Client shall inform TNO and shall give TNO the opportunity to protect (that part of) Foreground or to continue such protection, in which respect it is noted that all other reciprocal rights under the Agreement (including rights of use) shall remain unchanged.

8.3 - In the event the Client discovers an infringement on IP Rights with respect to Foreground of TNO and/or Background of TNO, the Client shall notify TNO as soon as possible.

9. USE OF FOREGROUND

9.1 - As from the date of delivery of the Final Report by TNO, the Client acquires the right to use that part of Foreground vested in TNO within the scope of application of the Commission, subject to the limitations laid down in clause 9. During two years from the date of delivery of the Final Report, this right of use is exclusive, except with respect to any incorporated and/or required Background of TNO, for which Parties shall agree a separate licence for use.

9.2 - TNO is at any time entitled to use Foreground developed by TNO, the development of which was not intended as an outcome of the Commission, or to use methods and techniques that were used and/or

developed by TNO with respect to any outcome(s) of the Commission itself, have it used by third parties or for the benefit of third parties.

9.3 - TNO is at any time entitled to use Foreground (as background knowledge for other research) and, after the term of exclusivity has expired as described in clause 9.1, have it used by third parties or for the benefit of third parties.

9.4 - TNO will not investigate the existence of third party IP Rights with respect to Foreground.

10. USE OF A FINAL REPORT

10.1 - A Final Report, as well as a (possible) preliminary or an intermediate report or any subsequent explanatory notes to the Final Report, is solely for the Client's own use. Any other use requires TNO's prior written consent, including for:

- a. reproduction or disclosure by means of print, photocopy, in electronic form or in any other way, or storage in a searchable information file;

Such prior written consent of TNO may be subject to further terms and conditions. In all cases, anyone to whom a Final Report is made available pursuant to clause 10, must be able to assess the Final Report in its entirety.

11. PRICE AND PAYMENT

11.1 - An 'indicative price' listed in the Quotation or agreed to in the Agreement is a non-binding indication of the price for the Commission, excluding the expenses incurred by TNO (in consultation with the Client). The final price for the Commission (also in case there is no 'indicative price') shall be determined and invoiced on the basis of subsequent calculation. TNO is entitled, each time as of January 1, to index that part of the price for the Commission not yet invoiced, in accordance with the annual adjustment of the rates used by TNO.

11.2 - If a 'fixed price' is agreed in the Agreement, this shall be the price for the Commission, excluding the expenses incurred by TNO (in consultation with the Client). If the scope of the Commission is changed or expanded — with approval of the Client —, or in case TNO had to perform additional work because the Client did not inform TNO fully and clearly about its wishes, demands or preconditions upon entering into the Agreement, TNO shall invoice the Client for the additional costs incurred on the basis of subsequent calculation and the Client is obliged to pay these additional costs.

11.3 - TNO may at any time require the Client to make an advanced or interim payment.

11.4 - All amounts quoted in the Quotation and/or in the Agreement are exclusive of VAT, unless explicitly stated otherwise.

11.5 - The Client shall pay a TNO-invoice within thirty (30) days of the invoice date. Any reliance on setoff is excluded. If the Client fails to pay the invoice in time, the commercial statutory interest rate is payable on the overdue amount, as well as all reasonable costs

incurred by TNO to obtain payment of its invoice. TNO remains ownership of any goods delivered or to be delivered to the Client, until the relevant TNO-invoice (and possible the commercial statutory interest rate and cost incurred to obtain payment) has been paid in full.

The Client shall not acquire IP Rights to (any part of) the outcome of the Commission until the price as described in clause 11 is paid in full by the Client.

12. NON-PERFORMANCE

12.1 - If a non-performing Party, after a demand to perform his obligation(s) within a reasonable term, is still in default, then the other Party, subject to the conditions of clause 14.1, is no longer obliged to perform its (remaining) obligations under the Agreement and may terminate the Agreement.

12.2 - The Client is obliged to file any claims against TNO by means of a written and substantiated notice to TNO as soon as possible, but in any case before the first annual anniversary of the date of delivery of the Final Report. Claims lodged after that date, will automatically lapse.

13. LIABILITY

13.1 - TNO is only liable for direct damages which are the direct result of an attributable breach by TNO to perform its obligations under the Agreement. The total aggregate liability of TNO on any and all legal grounds, is (cumulatively) limited to the amount of the price that the Client has to pay under clause 11.1.

13.2 - TNO is furthermore not liable for any damages suffered by the Client:

- a. arising as a result of the application or use of any outcome of the Commission;
- b. arising as a result of the fact that any outcome of the Commission cannot be protected by means of one or more IP Rights or because application or use of any outcome of the Commission infringes third party rights;

13.4 - The Client shall fully indemnify TNO against any claims of third parties for damages which result from application or use of any outcome of the Commission by the Client or by any third party to whom the Client has made such outcome of the Commission available, unless such outcome was the result of willful intent or gross negligence of TNO.

13.5 - TNO is not bound by any restrictions of the Client (resulting from the Agreement or otherwise) that serve to limit the liability of the Client wholly or partly.

14. TERM AND TERMINATION

14.1 - The Agreement shall continue for an indefinite period and terminates upon delivery of the Final Report and full payment of the price as described in clause 11. The Agreement shall terminate by operation of law and without an obligation for TNO to pay damages, if:

- a. the Client is declared bankrupt or the Client has filed a bankruptcy petition;
- b. the Client is granted (temporary) suspension of payment or the Client has applied for a suspension of payments;
- c. the Client's business is liquidated or wound up, or;

14.2 - If the Agreement is terminated prematurely, the Client is not entitled to use any preliminary or interim outcome of the Commission, neither by itself nor by third parties or for the benefit of third parties. If the Parties nevertheless agree in writing that the Client will acquire IP Rights with respect to any preliminary or interim outcome of the Commission, the acquisition of these IP Rights is subject to payment by the Client of the respective part of the price as described in clause 11. The latter shall be determined by TNO in all reasonableness.

15. FORCE MAJEURE

15.1 - TNO shall not be liable for any omission or any delay in the performance of the Agreement if the omission or the delay is due to force majeure as defined in (i) clause 15.2 and/or (ii) the applicable law or case law. In case of such omission or delay, the performance of the relevant part or the relevant parts of the Agreement shall be suspended for as long as the omission in question continues, in which however no liability arises for TNO towards the Client for any loss which the Client may suffer as a result.

15.2 - Force majeure includes circumstances beyond TNO's control or action which are such that that according to criteria of reasonableness and fairness (further) compliance with the Agreement cannot be required.
