# **TAPQOL**

## Questionnaire

for parents of children aged 1 to 5

| Please answer the following questions first.                                 |       |         |        |
|--|-------|---------|--------|
| Is the child for whom you are completing this questionnaire a boy or a girl? | □ boy | ☐ girl  |        |
| What is the child's birth date?  | (day) | (month) | (year) |
| On what date are you completing this questionnaire?                          | (day) | (month) | (year) |

#### **INSTRUCTIONS**

#### Dear Sir / Madam,

| The questions in   | this survey pertain to | different aspects of | of your child's hea | ılth. Please a | nswer the qเ | uestions by |
|--------------------|------------------------|----------------------|---------------------|----------------|--------------|-------------|
| placing an X in th | e box next to the resp | ponse that best des  | scribes your child  |                |              |             |

| For example:  |                |                    |                   |            |              |
|---|----------------|--------------------|-------------------|------------|--------------|
| Has your child had an earache in the I  | ast 3 months?  | ,                  |                   |            |              |
|   |                |                    |                   |            |              |
| Earache   | never          | occasionally       | □ often           |            |              |
| 1   |                | At those times,    | my child felt:    |            |              |
|   |                |                    |                   |            |              |
| If your child never had an earache, as in   | the above exar | nple, please go to | the next question | on.        |              |
| If your child had an earache 'occasionally these two answers you will find the stater your child felt. For example: |                |                    |                   |            |              |
| Has your child had an earache in the I  | ast 3 months?  | •                  |                   |            |              |
|   |                |                    |                   |            |              |
| Earache   | □ never        | occasionally       | □ often           |            |              |
| 1   |                | At those times,    | my child felt:    |            |              |
|   |                | □ good             | ☐ not so good     | pretty bad | <b>□</b> bad |
|   |                |                    |                   | •          |              |
| There are to the most assertion   |                |                    |                   |            |              |

Then go to the next question.

This was an example.

The questionnaire starts on the next page.

#### In the last 3 months did your child have:

| Stomach ache or abdominal pain        | ☐ never | □ occasionally  | □ often        |              |              |
|---------------------------------------|---------|-----------------|----------------|--------------|--------------|
| 1                                     |         | At those times, | my child felt: |              |              |
|                                       |         | ☐ good          | ☐ not so good  | □ pretty bad | <b>□</b> bad |
| Colic (abdominal cramps)              | □ never | □ occasionally  | □ often        |              |              |
| 2                                     |         | At those times, | my child felt: |              |              |
|                                       |         | ☐ good          | not so good    | □ pretty bad | <b>□</b> bad |
|                                       |         |                 |                |              |              |
| Eczema                                | □ never | occasionally    | □ often        |              |              |
| 3                                     |         | At those times, | my child felt: |              |              |
|                                       |         | <b>□</b> good   | ☐ not so good  | □ pretty bad | □ bad        |
|                                       |         |                 |                |              |              |
| Itching                               | □ never | occasionally    | □ often        |              |              |
| 4                                     |         | At those times, | my child felt: |              |              |
|                                       |         | <b>□</b> good   | ☐ not so good  | □ pretty bad | □ bad        |
|                                       |         |                 |                |              |              |
| Dry skin                              | □ never | occasionally    | □ often        |              |              |
| 5                                     |         | At those times, | my child felt: |              |              |
|                                       |         | <b>□</b> good   | ☐ not so good  | pretty bad   | □ bad        |
|                                       |         |                 |                |              |              |
| Bronchitis                            | □ never | occasionally    | □ often        |              |              |
| 6                                     |         | At those times, | my child felt: |              |              |
|                                       |         | ☐ good          | ☐ not so good  | □ pretty bad | □ bad        |
|                                       |         |                 |                |              |              |
| Difficulty breathing or lung problems | ☐ never | occasionally    | □ often        |              |              |
| 7                                     |         | At those times, | my child felt: |              |              |
|                                       |         | <b>□</b> good   | ☐ not so good  | □ pretty bad | <b>□</b> bad |

#### In the last 3 months did your child have:

| Shortness of breath | □ never | ☐ occasionally | ☐ often              |            |       |
|---------------------|---------|----------------|----------------------|------------|-------|
| 8                   |         | At those times | , my child felt:     |            |       |
|                     |         | <b>□</b> good  | ☐ not so good        | pretty bad | □ bad |
